SEVENTY-FIVE MEN
HAVE SIGNED PETITION
Consolidation of Local Bodies Meeting
Favor Everywhere Paper is
Presented.

Up to Friday night 75 Norwich men
had signed the petition being circu-
lated regarding the consolidation of
the Norwich Board of Trade and Nor-
wich Chamber of Commerce and the
person who was circulating the peti-
tion stated that if it had not been a
holiday he would have had no diffi-
culty in securing one hundred or
more names. The consolidation idea
seems to be meeting favor everywhere
the petition is presented. Several
Norwich men are quoted as saying
that they will join the consolidated
body provided the idea is carried
through.

Give Our Candies To Children

WHY?

We are often asked why our Candies and Chocolates
retain their flavour and sweetness until consumed, while
other makes have a gummy, flavorless taste.

This objectionable effect is due to excessive use of
glucose, which does not improve the candy, but costs less
than sugar.

The discriminating public always wants the very best
and purest. Compare our candies with other makes and
you will buy only those made by

"CASCARETS" FOR BOWELS TONIGHT

THEY'RE FINE! LIVE YOUR
LIVER AND BOWELS AND
CLEAR YOUR HEAD.

NO HEADACHE, SOUR STOMACH,
BAD COLD OR CONSTIPATION
BY MORNING.

Get a 10-cent box.
Colds—whether in the head or any
part of the body—are quickly over-
come by urging the liver to action and
keeping the bowels free of poison.
Take Cascarets to-night and you will
wake up with a clear head and your
cold will be gone. Cascarets work
while you sleep; they cleanse and
regulate the stomach, remove the sour,
undigested food and foul gases; take
the excess bile from the liver and
carry off the constipated waste matter
and poison from the bowels.
Remember the quickest way to get
rid of colds is one or two Cascarets
at night to cleanse the system. Get a
10-cent box at any drug store. Don't
forget the children. They relish this
Candy Cathartic and it is often all
that is needed to drive a cold from
their little systems.

An Ideal Spring Laxative
A good and time tried remedy is Dr.
King's New Life Pills. The first dose
will move the sluggish bowels, stimu-
late the liver and clear the system of
waste and blood impurities. You
owe it to yourself to clear the system
of body poisons, accumulated during
the winter. Dr. King's New Life Pills
will do it. 25c at your Druggist.

**SERGEANT SCOTT HAS
FAILED TO RETURN.**

Supposition That He Was Killed in
Bradford Wreck Does Not Appear
Correct.

The failure of Sergeant Scott of the
148th company, Coast artillery, station-
ed at Fort Wright, to return from a
leave of absence has led to the theory
that Scott might have lost his life in
the wreck at Fort Wright on Monday night.
Sergeant Scott's leave of absence ex-
pired Monday, but he has not put in
an appearance. Very early in the morn-
ing he has always been prompt on former oc-
casions.
It is known that on former leaves of
absence Sergeant Scott has visited rel-
atives in Providence and it is thought
that he might have gone there this time
and was on board the local express that
was telegraphed by the Gilt Edge ex-
press.

Medical Examiner M. M. Scanlon of
Westerly was notified of the failure of
Sergeant Scott to report and of the
supposition of the officers and Friday
morning he went to Bradford to see if
any trace of any more bodies than
those which have been found and iden-
tified could be discovered. Nothing
was found to indicate that any more
persons had lost their lives.

**UNION SERVICE HELD
AT SECOND CHURCH**

Rev. Herbert J. Wyckoff Delivered the
Sermon on Friday Evening.

Rev. Herbert J. Wyckoff, pastor of the
Second Congregational church, deliv-
ered the sermon at the union ser-
vice held in the Second Congrega-
tional church Friday evening. Rev.
Joseph F. Cobb of the Church of the
Good Shepherd, Edward S. Worcester
of the Broadway Congregational
church, Frederick W. Coleman of the
Trinity Methodist church and Joel B.
Stoum, D. D., of the Central Baptist
church assisted in the service and the
choir led in the singing.

In part Rev. Mr. Wyckoff said:
This has been a week of prepara-
tion. We come tonight after the cruci-
fixion. The preparation is fulfilled.
It is finished. Preparation is an equi-
valent for future action.
Sequence and completion are mutu-
ally contradictory. If there is an
effect for every cause even as there
is a cause for every effect, such a
thing as sequence is in life. Of the
last week of Jesus' life we have had Mon-
day the day of physical intensities,
Tuesday the day of mind confusions
and Wednesday the spiritual prepara-
tion. The finish. We recall in school
days when we complete the last ex-
ample or the last sentence, we say it
is finished. Yet we look back at the
sequence. Life's purpose advances in
stages. Preparation is gauged by the
goal aimed at. What is the signifi-
cance of full preparation? It means
that there is no choice of failure.
Rev. Mr. Wyckoff told of the prepara-
tion of one European country
which had plans, etc., right in the
pigeon holes of desks. He illustrated
his point to show that this is not the
preparation of Jesus.
Jesus opened the minds of men to
thoughts of men. He wrought the
souls of men to make them ready.
Jesus turned over to us a trust. He
handed over in trust a new life.

**WHO WANTS TO
BE LEADING LADY?**

New York Concern to Take Moving
Picture Film in Norwich.

The management of the Auditorium
theatre announced Friday that under
their auspices the Hudra Film com-
pany of New York city, is to bring its
forces to Norwich and use local peo-
ple in the enactment of the scenes for
a film to be called A Romance
of Norwich.
All of the scenes will be exterior
ones in and about Norwich and the
film will consist of a large mob scene
and a wedding celebration, so hun-
dreds of Norwich people will have an
opportunity to see themselves on the
screen. The Hudra company expects
to arrive in Norwich on Tuesday of
next week and they will immediately
get to work on the picture.
This will be a novelty in this city
and it is safe to say that every man,
woman and child will want to see this
picture which will be shown at the
Auditorium theatre for a full week
beginning Monday.

Secretary Daniels said the officers
were experiencing great difficulty in
securing laborers at government wages
and also by delay in delivery of mate-
rials ordered for repair work and con-
struction of the vessels now being
built. Offers of better pay and ad-
vantages of extra work at double pay,
to private employ and creating the
scarcity of labor in the yards.

liam B. Smith, and Lincoln and Henry

**WHIPPING ATLANTIC
FLEET INTO SHAPE.**
Orders to Speed Up Repair Work Is-
sued by Secretary Daniels.

Washington, April 21.—Orders to
speed up repair work on the
vessels of the Atlantic fleet have
been sent to the commanders of the
various navy yards by Secretary Dan-
iels. In case of labor shortage, the
commanders are instructed to expedite
the work by employing the ships' personnel.

The movement was explained as a
"preparedness test," the execution of
which would illustrate how quickly the
vessels could be restored to normal
condition after their strenuous winter
operations and placed in readiness for
the battle practice and manoeuvres be-
ginning May 20.

Assistant Secretary Roosevelt has
been in conference with officials of the
New York yard, attempting to arrange
for the employment of a sufficient force
of mechanics and other skilled men to
operate that plant on a night and day
schedule.

Secretary Daniels said the officers
were experiencing great difficulty in
securing laborers at government wages
and also by delay in delivery of mate-
rials ordered for repair work and con-
struction of the vessels now being
built. Offers of better pay and ad-
vantages of extra work at double pay,
to private employ and creating the
scarcity of labor in the yards.

Switzerland which has been delayed

ferred several ships. The proposal to
create a Swiss merchant marine under
the Swiss flag has been abandoned on
the ground that Switzerland has no
naval force to protect merchantmen.
